- The Media Center is open exclusively to credentialed media and exhibiting media beginning on Sunday, October 30, 2022 for meetings, interviews or preparation of stories. Amenities, such as lounge and meeting areas and computers will be available.
- Standard media badges are available at no charge; however, media badge registrants may be required to submit qualifying materials.

## INTERNATIONAL EXHIBITORS

It is the sole responsibility of all exhibitors to take care of any government visa requirements and allow sufficient time for the visa application process. Please contact your nearest Embassy/Consulate to determine the appropriate timing and requirements related to your visa application.

**It is strongly recommended that you apply for your visa as early as possible as the visa process can be lengthy. AAPEX Event Management will NOT contact Embassies/Consulates on your behalf and/or provide any assistance relating to visa issues.**

If you require an invitation letter for visa purposes, you must be registered for an exhibitor badge. You will have an opportunity to request one during the exhibitor badge registration process. Invitation letters are sent instantaneously via email as a bounce-back to the email address provided during registration. Emailed, printed copies of the invitation letter are acceptable to bring with you to your visa appointment. Therefore, AAPEX Event Management will no longer prepare and send invitation letters via express mail.

## NEED TO MAKE CHANGES?

Changes can be made online on the Exhibitor Badge registration site until badge mailing begins. Once badge mailing begins, all changes will need to be done onsite at the Exhibitor Registration Desk. You will need to surrender the old/incorrect badge in order to receive the new/updated badge at no charge.
