

AAPEX 2022 Student Sponsorship Program

AAPEX 2022 Student Sponsorship Program: Participation Sponsor / Exhibitor Form

Thank you for participating in the inaugural AAPEX Student Sponsorship Program. We appreciate your commitment to reaching new talent in the automotive aftermarket.

What to Expect:

As an AAPEX 2022 Student Program Sponsor / Exhibitor participant, you will have the honor of financially supporting a trip to AAPEX for a cohort of new industry talent. Students are required to meet a variety of industry specific qualifications in order to participate in the program, including being at least 21 years of age by October 31, 2022; and are then hand selected by a committee in charge of choosing the best and brightest for AAPEX 2022.

Exhibitors will be paired with a student to intern and provide first-hand industry experience. Students will have access to all AAPEX trainings and general education sessions as well as hosted functions. They will also receive a ticket to this year's Keynote Session featuring Karl Rove and James Carville and will participate in a special session on the aftermarket designed just for participants in the program.

Schedule:

- Monday, October 31 - Students Arrive & Attend Opening Reception
- Tuesday, November 1 - AAPEX will host students on Tuesday and students will participate in AAPEX trainings, general education sessions and hosted functions.
- Wednesday, November 2 - Exhibitors/Sponsors will host students on Wednesday and students spend the day with their paired exhibitor. This can include time working the booth, networking, walking the show floor, and other creative ways you can think of to teach your assigned students about your company and what makes this industry great.
- Thursday, November 3 - Students depart

Timeline:

Please complete this form not later than September 30 so we have time to connect you with your students.
