

TRUE EXPERTISE!
A trusted brand for more than 50 years

Schaeffler.
Your partner for generations to come.

As vehicles evolve, know that LuK, our transmission brand, is evolving too. We've moved beyond clutches and are committed to strengthening our partnership with the automotive industry. You've relied on our products for decades, and you can be sure that Schaeffler will continue to lead the way with innovations and solutions that will help your business thrive.

Now and in the future, look to Schaeffler.
