Rainprotection Insurance Program

If you do not have insurance, or you would rather not use your own insurance, (similar to when you rent a car – so that claims would not be filed against your policy), we have set up a program with Rainprotection Insurance through which, you can purchase compliant insurance instantly online.

Benefits of using this program:

- No Deductible – unlike your corporate policy, Rainprotection's policy has no deductible. Should there be a claim, you will have no out of pocket costs and your future rates will not go up since you would not need to submit a claim on your policy.
- No Hassles – you will not need to go back and forth with your broker adding additional insureds and making your insurance compliant with show requirements.
- Coverage for exhibitors who do not have an existing policy.
- Coverage for international exhibitors whose insurance will not cover them in the U.S.A.
- Easy and Inexpensive to purchase instantly online.
- Already pre-filled with all the proper show information.
- Submitted to show management for you - Once purchased, they automatically receive a copy.
